Santa Maria Community Services Welcomes New Board Member, Kristen Mallory

CINCINNATI, OH – Santa Maria Community Services, Inc. is pleased to announce the appointment of Kristen Mallory, Director of Programs at Children International, to its Board of Directors. Kristen brings experience in fundraising, education, healthcare, community relations, and strategic planning, and holds a Master of Public Health degree from Ohio State University.

“After many years away, moving back to Cincinnati sparked a desire to reconnect with and contribute to the local community. When I asked around about impactful nonprofits in the area, Santa Maria came up repeatedly,” Kristen said. “I began following the organization on social media and was immediately impressed by the depth and relevance of its work.”

She added, “In my current role, I have the privilege of working with communities around the world, but I am eager to deepen my impact closer to home. Joining the board of Santa Maria allows me to contribute more meaningfully to local efforts.”

“We are thrilled to welcome Kristen to our Board of Directors,” said H.A. Musser, Jr., President and CEO. “Her professional expertise and passion for service will bring valuable insight as we continue working alongside families in Price Hill.”
