Santa Maria Community Services, Inc. Receives \$30,000 Grant from The Sutphin Family Foundation to Support Families Facing Housing Instability

Santa Maria Community Services, Inc. is thrilled to announce that it has received a \$30,000 grant from The Sutphin Family Foundation to support its Stable Families program, which works with families in Greater Price Hill who are at risk of losing their housing.

The Stable Families program supports households facing sudden financial and personal crises by providing short-term assistance paired with ongoing guidance from a dedicated case manager. Families receive support that helps them stay housed, keep children in school, and regain stability during difficult periods.

“This funding allows us to step in before a crisis becomes a breaking point for a family,” said H.A. Musser, Jr., President and CEO of Santa Maria Community Services. “When families have the right support at the right time, they have a real chance to stay in their homes and move forward.”

Through the Stable Families program, Santa Maria continues its commitment to helping families build stability and work toward long-term self-sufficiency, even during moments of uncertainty.
